Description

A very beautiful oak table, with original wax finish and great patination and good colouring. The table is of solid English oak throughout and in good condition for its age, with a 1" thick top which is supported by two vase shaped end supports with moulded sleigh feet and joined with two large stretchers, which at the central point has another vase shaped support. The two drawers were added at a later date, but are useful for everyday use. The table has recently been sympathetically restored since the photos were taken, so looks even nicer. Provenance Bought by Mona & Ian Anderson, Old Surrey Hall, Dormansland, East Grinstead, Sussex. In the 1920's then by decent. Delivery charges are included on the purchase of this table within mainland England and Wales.
