Description

A very good example of an Edwardian mahogany Chinese Chippendale revival circular centre table. The table has a chamfered top with gothic style open fretwork below, which has four cluster column legs in the elegant Chinese Chippendale style. Each leg is united by an arched stretcher which are joined in the centre by a circular under tier. Thomas Chippendale's cluster column leg is synonymous with some of his finest and ornate works. The table is in great condition and ready to use. FREE DELIVERY IS INCLUDED ON MAINLAND ENGLAND AND WALES
